I, _____, authorize _____ Skin Serenity Spa _____ to charge my credit card above, monthly for a Skin Serenity Spa V.I.P. Membership on the 1st of every month in the amount of \$79. I understand that I may freeze my membership after 90 days from my first payment date. Maximum freeze time is 4 months. It is required that we receive our freeze form notice 30 days prior to the next billing cycle, which is the first of every month to complete a freeze. V.I.P. membership commitment is a minimum of one year from the date of first payment. It is required that we receive our cancellation form notice 30 days prior to the next billing cycle, which is the first of every month to complete a cancellation. V.I.P. monthly membership requires that a Skin Serenity Spa cancellation/freeze form must be received a minimum of 30 days prior to your next billing date to assure cancellation/freeze of automatic payments. Cancellation/freeze requests submitted within the 30 day billing cycle will result in a final payment drawn from your account on the first of the month. Once final payment has been drawn from your account, you will have 30 days from the last bill date to use your benefit. It is your responsibility to fill out, and submit freeze/cancellation form 30 days in advance of your next billing date. There will be no refunds issued once a payment has been charged to your credit card if you do not submit the cancellation/freeze form. I understand this is a 1 year membership commitment, and agree to abide to V.I.P. membership policies. I understand that my monthly treatment does not roll over into the next month.
